THE NOXON A550+ WITH NEW DESIGN!

With the NOXON A550+ you are perfectly equipped for the world of radio reception. Enjoy DAB+, DAB, FM or internet radio in perfect sound quality. The NOXON A550+ offers all three radio technologies in a 43 cm Hi-Fi component, designed in a stylish metallic housing.

PLAY EACH RADIO STATION FROM AROUND THE WORLD AND ENJOY THE PERFECT SOUND OF THE NEW NOXON A550+ WITH YOUR HI-FI SYSTEM.

Receive online music and information from the whole world. With over 40,000 stations worldwide, the NOXON A550+ offers endless international variety. All the radio stations are presorted by country and genre which simplifies the finding of your favorite radio station.

SIMPLIFIED OPERATION

The rotary knob with push function, a unique NOXON feature, takes you through the different settings and stations. The ergonomic back button brings you to previous settings quickly. Just connect the A550+ via the digital out (TOS-Link) or digital coaxial with your Hi-fi System and enjoy the perfect sound.

PERFECTLY EQUIPPED WITH AN ELEGANT DESIGN

TFT color display, optical tos link, coaxial, cinch and USB 2.0 for MP3 playback-

The connection to the internet is easy as child play. Just as you connect your notebook to the internet, as easy is the connection of the A550+. You only have to choose your internet router and enter your access code – finished and nothing more.

For digital radio reception DAB+ and DAB or FM, just use the DAB antenna, this is included in the scope of delivery.
